

## SIBECOL poster awards

The Iberian Society of Ecology will award the best posters (first, second and third place) in the categories “original and clear science communication” and “scientific creativity and science innovation”.

# Overview & Update

12 February 2019

## CATEGORY 1 ORIGINAL AND CLEAR SCIENCE COMMUNICATION

An award to the scientists that manage to originally and optimally use the poster space to communicate their work in a way that all present ecologists, so from different fields, can easily get the take-home message from their research.

1. The **award committee** was formed, composed of
  - Elisabeth M.R. Robert (coordinator)
  - Andreia Gonçalves Sousa (coordinator assistant)
  - Eugènia Martí --- limnological ecosystem
  - Laura Prieto --- marine ecosystem
  - Miguel Verdú --- terrestrial ecosystem

2. Two award committee members – the coordinator and the coordinator assistant - **evaluated all posters** presented during the conference

172 contestants

3. The **award committee** selected the winners from the top 10 contestants that were generated in the former evaluation step.

3 winners  
first, second and third place

## CATEGORY 2

### SCIENTIFIC CREATIVITY AND SCIENCE INNOVATION

An award to the scientists that brought innovation to their research field through creative research and nicely communicated this on their poster.

1. The **award committee** was formed, composed of
  - Elisabeth M.R. Robert (coordinator)
  - Andreia Gonçalves Sousa (coordinator assistant)
  - Eugènia Martí --- limnological ecosystem
  - Laura Prieto --- marine ecosystem
  - Miguel Verdú --- terrestrial ecosystem

2. During the conference, **all conference attendants could vote** for their preferred posters. The process was facilitated by the possibility of highlighting creative science and science innovation aspects by pinning orange arrows next to own or other posters.

172 contestants

3. The **award committee** defined the winners based on the public voting only but accounted for the difference in total votes between the two posters sessions.

3 winners  
first, second and third place

SIBECOL POSTER AWARDS – PUBLIC VOTING POSTER SESSION 1

Your name (as registered): \_\_\_\_\_

I herewith declare that if this poster would win the poster prize I do not have a personal benefit from it. The authors of the poster are thus not my co-authors, my team mates, my best friends, they are not working at my institute and they did not pay or reward me to vote for them.

I herewith declare that I did my selection without any discriminating judgement other than scientific output. I did not base my vote on for example gender, ethnicity, nationality, former scientific merit, age or sexual orientation.

THANK YOU FOR YOUR PARTICIPATION!
